

## HOW YOU CAN HELP

Organize groups of 5-10 volunteers from your church to BAM! one time, once a month, or quarterly... small groups and youth groups love this! It's a great way to get everyone in your church involved!

Choose the specific meal you'd like to prepare and serve in our commercial kitchen.

For I was hungry and you gave me something to eat,  
I was thirsty and you gave me something to drink,  
I was a stranger and you invited me in...

Matthew 25:35 (NIV)

## THE NEED

For those struggling, having a nutritious meal is often the first step to recovery and stabilizing their life. The City Rescue Mission serves between 30,000 and 35,000 meals per year to men, women, and children in our community. Church volunteers who serve our guests are the best part of the meal! And, our kitchen helpers are available to help you prepare your meal in our commercial kitchen.

## BE CREATIVE

Our guests love special meals themed for a holiday or just for fun! Put on a luau or Mexican fiesta, offer to host a good old fashioned southern barbeque, or bring in music and dessert. Your group can design the entire experience for our guests.
