

*"I took on a life of partying that led to addiction. It took its toll and I know I need a life change. That when I decide to join the recovery program at the mission. They gave me the tools and support I desperately needed to turn my life around. By the grace of God, I have found freedom from my addiction."*

*Are you struggling with addiction to drugs, alcohol, or other things? Have you looked for help and just couldn't find it? Have you been in and out of Rehab Programs with no success? If you answered YES to any of these questions, the City Rescue Mission's Recovery Program may be the right opportunity for you!*

## THE RECOVERY PROGRAM

The Men's Ministry Recovery Program is a biblically-based, residential discipleship program which teaches a way to conquer and overcome life issues. Our caring and compassionate staff and volunteers offer classes covering many issues men face when dealing with addictions and other life bondage issues. Each man joining the Recovery Program has the opportunity to gain support from others who have gone through much of the same suffering. In addition to structured study and biblical discipleship, men will have the opportunity to take advantage of the reading library, television lounge, and recreation room equipped with pool and ping-pong tables along with exercise equipment. **If you are interested in joining, call 724-652-4321.**
